## Chapter 1 by Cat4055

"I'm really hungry." said my friend while staring at the T.V. commercial showing people making ice cream with one of those ice cream makers. I glanced at the screen.

"You just have to walk two steps." I told her.

"But you're closer!" she said. I was sitting on the floor doing homework.

"I'm doing homework!" I told her.

"Fine." she said, sighing, before walking over to the T.V. and sticking her arm in it to pull out something she wanted.

"Ugh," She pulled out her hand, dripping in melted ice cream.

"You should have grabbed the bowl. I always tell you." I chided her, not looking up from the quadratic question on the table.

"Yeah, yeah. I got this." She tried a second time and now pulled out two bowls of chocolate, and a bag of chips that was apparently in the commercial.

"Don't forget the spoons." I mumbled, chewing on my pen, trying to graph the equation now.

She turned back and grabbed two spoons with one hand before setting down on the table again.

She one of the bowls with the ice cream. I picked up the spoon and put it in my mouth. The cold stung, and the sweet flavor of chocolate exploded, and I felt warm inside.

My friend on the other hand, she took a spoon and scooped some of the chocolate ice cream before taking a spoon. Her face was full of content. I never understood her tastes; she always

liked sweet and salty combinations.

"So, solved it yet?" She asked with ice cream and chips in her mouth.

"Do it yourself."

"I did, yesterday." She smiled.

This was an ordinary weekend for us. Me, working on my homework on a Saturday, while she, finishing early, comes to watch TV. When we're hungry, we take whatever's in the telly. We were really shocked at first when it first happened. I think it was last month...

### Chapter 3 by Cat4055

"Ugh!" I said, why did I have to be in advanced math.

"Says the girl who scored higher than average on an eighth grade test in sixth grade." my friend said.

"But I don't like math! Can we cheat again? Please, I'm really bored." I said, looking at the T.V.

"How will we get onto one of those cartoons, it's not like they air them anymore."

"Netflix!"

"Do you really want to go inside the T.V. again though, remember last time?"

"Yeah! I became a dinosaur and got to eat a T.Rex, those things are surprisingly delicious."

"Fine, but just remember the rules, don't die and we have to get through the entire show. Well, let's go!" My friend said, getting ready to jump into the T.V.

### Chapter 4 by joey

We jumped. My friend banged her leg on the way in. "where are we?" i asked "I believe it is called ridiculous 6" "ugh another Netflix original?" I complained "Hey I love this movie.. oh! shut up it's starting" she said . We watched as a white guy dressed as a native american walked towards a trading post with a bunch of signs that said " no injuns allowed " " hey that racist! i yelled " the man turned on us.

### Chapter 6 by happy muffin

As soon as we jumped in a triangle with 1 eye was screaming and chasing us my friend, Annala, screamed as fire burst behind us while jumping. We were thrown on to the couch. "OMG" Annala said and we decided to sit back down and do our homework

### Chapter 7 by Asriel Dreemurr

I changed the channel to a channel that was doing a Harry Potter marathon. It was currently in the first movie, Harry Potter and the Sorcerer's (Philosopher's) Stone.

The cast of characters were currently in the girl's bathroom, fighting a troll on Halloween. Annala told Ron to stick his wand up the troll's nose. She's obviously seen the movie before. As he tried to do that, the troll escaped, into the hallway, and made Hogwarts a mess. We bursted out of the TV, and we realized that we totally ruined the movie.

### Chapter 8 by Natsuko Yami

We kept changing the channel trying to find something not boring, but at the same time, somewhat safe. We saw a cop show, no. A cooking show, too boring, a dancing show, nah. And then we finally found it, The Bachelor. Annala thought that show was too dramatic, but I loved that show! Well, until Britney got kicked off, then I stopped watching. Annala finally gave in and we jumped into the TV in unison. When we were inside the show, I realized that we were on Bachelor in paradise. In this show, there on an island with a bunch of snotty-brat girls fighting over one boy. We looked at each other in disgust and decided to Jump out again. when we were both just sitting on the couch, we decided that we would never go into the TV again, or take food from the TV again.
